Bio

I am honored and privileged to serve as the Executive Director of Learning Network Educational Services!

Over the course of my career, I have had the opportunity to serve in many different roles at both the school and division level. Most recently I served Lloydminster Public School Division as the Director of Education (CEO). My wife Brenda is a Math teacher at Lloydminster Comprehensive High School, and we have three daughters: Elaina, Lexi and Ally. In addition to our three daughters Brenda and I were recently blessed to become grandparents with the birth of our granddaughter Ophelia!
