Program

During our time together, I will identify traditional medicines found in the area, share how my people use them and explain the protocols of picking these medicines. This will assist with understanding how I do spiritual cleansing and healing of the mind, body and soul. This, in turn, reinforces the responsibility that I have been given in this world – to heal and bring spiritual awareness to our people and the people of the medicine wheel

Calvin Laliberte

My name spiritual name is “Kameokwaneaso”; my English name is Calvin Laliberte. I began my spiritual journey when I was 29. I knew as a child i was gifted with the healing of the spirit mind and body. I struggled throughout my life and was looking for my identity as I lost it when I began to live for society. In my 30’s, I still struggled to find my way it was not until I found my spirit guide that I truly became alive and knew what my purpose in life was.

I was an elementary school teacher for 12 yrs and now I am on this journey to bring awareness of the Indigenous peoples struggle and the strong connection to the earth and spirituality. My passion it to bring about awareness and healing for spirit mind body and soul. My job on this earth is to bring spiritual awakening to the people of the medicine wheel. I am a spiritual mentor.
