Program

This short webinar will provide a tour of SLA data reports. We will look at a few different ways to access class/student data and discuss efficient options for sorting and analyzing the results. Lastly, we will share some tips and tools for using the data to plan interventions.

Presenters

Sherri Johnston

Sherri Johnston is a Literacy focused Designer of Professional Learning working with the E.R.L.C. and L.N.E.S. Sherri has provided many hours of Literacy support for schools across Central, North and East Alberta and is well positioned to share this most current information with you.
