 27. Q & A
-

Presenters

Dawn Gray

Dawn has been an Occupational Health and Safety (OHS) Officer with the Government of Alberta for over 12 years. Her vast experiences involve piloting over 4000 inspections in a multitude of industries and has assisted in numerous serious incident and fatality investigations.

Dawn's current duties within the OHS Department include facilitating Asbestos training for new and seasoned OHS Officers, development and delivery of presentations to internal and external stakeholders, is an active member of the departmental health and safety committee and is a member of the workplace psychological health and safety working group. Dawn's previous duties involved a partnership with the Ministry of Justice and Solicitor General and was tasked with developing and delivering training material necessary for the OHS/Peace Officer deployment.

Prior to her time with OHS, Dawn worked several years in the private sector, specializing in the Forestry Industry with a focus in health, safety, environmental certification programs and land use.
