Presenters

Miriam P Trehearne

Miriam Trehearne has been a classroom teacher, resource teacher, Program Specialist (exceptional needs students) Literacy Coach, Literacy Specialist and University Associate. Miriam's passion is effective and engaging literacy teaching and learning for all students. As a Literacy Specialist, she led a very successful research-based literacy initiative in a very large urban school district (156 elementary schools) which focused on 56 high-needs schools. The results "closed the literacy gaps" by third grade and have been documented by university researchers and an independent program evaluator.
