Program

Participants who joined either of the June 24, 2020 Psychological First Aid for a Pandemic for Children, Youth and Families are invited back to this follow up conversation to debrief and imagine 'next steps' as we settle into the 2020 - 2021 School Year. The purpose of this conversation is to provide feedback and direction in terms of 'next steps' and the need for additional supports.

This learning opportunity is being offered through a grant from Alberta Education.
