Program

In this session, participants will gain an understanding of the foundational concepts of #DisruptTexts and spend time digging deeply into centering the voices of the marginalized in our curriculum. We will take on questions such as: What is wrong with the canon? What is missing? How do we include those missing voices meaningfully? Lorena will guide participants to self-reflect and make plans for thoughtful and effective change.

This learning opportunity is being offered through a grant from Alberta Education.

Presenters

Lorena German

Lorena Germán is a Dominican American educator dedicated to supporting students to become inclusive thinkers in society. She also helps educators design curriculum in thoughtful, anti bias and anti racist ways. Additionally, Lorena is Co-Founder of #DisruptTexts and Co-Founder of Multicultural Classroom.
