### Program

This virtual workshop will introduce you to our comprehensive, easy-to-use cursive curriculum that uses engaging multisensory techniques and research-based methods to make handwriting a natural and automatic skill for children of all ages and abilities. You will learn why we teach cursive in this age of technology and learn about our unique teaching order and vertical style of cursive. You will discover how Review & Mastery lessons will help ensure cursive success and what our Tow Truck Letters are. Learn Grades 3 - 6 Teachers, Administrators, Literacy Leads how you can integrate the Handwriting Interactive Teaching Tool to plan and implement your lessons. Learn about our comprehensive, easy-to-use cursive curriculum that uses engaging, multisensory techniques and research-based methods to make cursive a natural and automatic skill for children of all ages and abilities using our workbooks, teacher's guides, digital tools, and more! You will learn why we teach cursive in this age of technology and learn about our unique teaching order and vertical style of cursive. This virtual workshop will equip you with the knowledge, teaching strategies, and developmentally appropriate daily lessons you need to teach cursive handwriting to all your students. This is an intermediate level workshop. Learn the importance of teaching cursive handwriting to boost academic success in your students, Identify a multisensory, child-friendly teaching order to teach cursive connections, lowercase and capital letters, Learn how to integrate the Handwriting Interactive Teaching Tools with your students to enhance

and support your lessons, Explore engaging ways to incorporate writing activities and Building Writing into your daily instruction and Locate additional resources to support your year-long handwriting instruction, including the Screener of Handwriting Proficiency.

This learning opportunity is being offered through a grant from Alberta Education.
