Grade Level:

Special Notes:

Once you have registered for a professional learning session, our system automatically generates and sends a '**Confirmation of registration email**'. This 'automatic response' will be sent to the email address you enter at the time of registration'. If the workshop you registered for is **Online**, you will find a link to connect you to the workshop in your confirmation email. If you do **NOT** receive a confirmation email within 24 hours of registering, please check your **Spam/Junk/Trash file**. If you do not receive a confirmation email, please contact celine.zevola@learning-network.org

About the Session:

Explore a variety of online collaboration tools that are accessible for in-person, online, and concurrent learners in any content area. Specific emphasis on how to choose your online tool based on the type of communication you want from your students. Learn what tools are great for giving all students a voice in your class.

About the Presenter(s):

Theresa Wills

Theresa Wills, PhD, is an assistant professor of mathematics education in the School of Education at George Mason University, where she works with inservice mathematics specialists and preservice elementary and secondary teachers. Theresa has taught synchronous online classes and webinars since 2010 and researches teaching practices that are adaptable to the online environment. She is a former classroom teacher, and math coach who still volunteers weekly in K-12 classrooms.
